HAIR: We ask for your help in ensuring that your child arrives at dance with her hair neatly pulled back into a bun please. There are important reasons for this, kindly take a moment to review.

- Hair pulled up and off the face exposes your child's neck, head, and spine, allowing us to ensure proper posture and development.
- A neat ballet bun and proper dance attire help us quickly identify and correct body alignment.
- Keeping hair secured and out of the face eliminates distractions, helping your child focus and learn more effectively.
- A well-done bun sets the tone for class, putting students in the right mindset for learning.
- Self-discipline and dance dress attire go hand in hand.

Tip: Please purchase "hair pins" from Shoppers or Bodythings. Regular "bobby pins" will not hold a bun securely in place.
